

LOOSE HANGING CLAMP SERIES

TWO HOSE VERSION

Key Features

- Prevents loose hanging hoses from rubbing together
- More secure than zip ties
- Sturdy, reliable design
- Withstands rigorous hose twisting
- Easy to remove and reinstall
- Can be molded to accommodate same or different size hose diameters
- Easy to install with socket head cap screw and nut
- Polypropylene material
- Countersunk hardware for aesthetics and a smooth exterior surface
- Made In USA
